

GLIDE is our amazing beachside water sports and excursion centre.

GLIDE across the surface of the Indian Ocean! New to water sports and even water? The GLIDE team will help you take your first aquatic journey – solo or with an adventurous companion. At GLIDE, we can teach you to fish, paddle, pedal, fly, surf, sail, ski, kayak, kite, cat, snorkel, jet, bob, and even swim. The world of wind and water is yours to explore!

Is your quest for speed? Buckle up behind our powerful speedboat "Mercury" and take off waterskiing, knee boarding, wakeboarding or fun tubing.

Wannabee swift like a marlin in pursuit? Cut to the chase with the designer Cayago water rocket for radical sub-surface velocity!

In search of natural elements? Capture the wind for high speed escapades on the air/water interface with our excellent windsurfers, kite surfing rigs and catamaran designs.

And if your taste for pace is relaxed, then cruise the lagoon with our modern kayaks – paddle, pedal, sail! In the revolutionary transparent glass Molokini kayak you seemingly float submerged in the ocean, surrounded by fish life, but yet remain dry.

Wahoo! Cast away on our daily big game fishing trips with the chance to hook a sailfish, dorado, trevally or other spectacular fish. And if you are after a smaller fish for your dinner, we offer traditional Maldivian fishing over sunset, a wonderful time of day to be on the water.

Whatever your taste for adventure, at GLIDE, you will find a water sport or an excursion to fulfil your passion!

Both at GLIDE and IMMERSION we provide FREE snorkeling equipment. Please simply drop by and we'll outfit you with mask, fins and snorkel. At the same time, the crew will give you some valuable snorkeling and safety tips before you jump in!

Please note: all prices are per person unless otherwise stated and are quoted in US\$ and are inclusive of 10% Service Charge and 12% GST.

PLEASE KINDLY NOTE:

All prices for all activities are per person per hour unless otherwise stated. Prices are quoted in US\$ and inclusive of 10% service charge and 12% GST (Goods and Sales Tax). All dive courses run for minimum two persons, but private lessons are naturally available on request for an additional fee. For scheduled Marine Biology activities and excursions, we normally require a minimum of four persons. However, private charters of our vessels can be arranged with guide subject to availability. Please remember, all participants in all activities do so at their own risk and all water sport activities are subject to weather conditions. We reserve the right to suspend any given activity at any time. Lost or damaged equipment will be charged at replacement cost rates. All participants in all water-based activities are required to complete our liability release and must wear a life vest (except for Scuba Diving!). Proof of sailing licence and/or competency assessment (at a small fee) is required for use of windsurfing, kiting and sailing equipment unless under instruction. Cancellations made less than 12 hours in advance of a booked activity will usually incur a penalty fee that may amount to 50% of the price of the activity.

EXPLORING MARINE LIFE

In the centre we also run many exciting in-water activities that feature Marine Biology as well as providing entertaining and informative presentations. We are also developing a program of Marine Biology projects which will include ongoing research and reef monitoring and have initiated a coral tray adoption program. Interested guests are very welcome to participate in these programs.

Our belief is that you should not leave Velassaru without having the opportunity to discover first-hand the exceptional aquatic life of the Maldives! So if you want to experience Marine life, come and join our critter-mad Biologist on many of our guided BIO activities. Our approach is "get WET, have FUN and experience it LIVE!"

Please note: all prices are per person quoted in US\$, are inclusive of 10 % service charge and 12 % GST.
